Filing Date)
Art Unit		
Examiner Name		

As the below named inventor, I hereby declare that: My residence, mailing address, and citizenship are as stated below next to my name. I believe I am the original and first inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled: A Computer Motional Command Interface (Title of the Invention) the specification of which Is attached hereto OR was filed on (MM/DD/YYYY) and was amended on (MM/DD/YYYY) and was amended on (MM/DD/YYYY) and was amended on (MM/DD/YYYY) I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment specifically referred to above. I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT intermational ling date of the continuation-in-part application. I hereby daim foreign priority benefits under 35 U.S.C. 119(8)-(4) or (1), or 365(b) of any foreign application(s) for patent, inventor's or plan breader's rights certificate(s), or 365(a) or 365(a) or 9 PCT intermational application who box, any foreign application or patent, inventor's or plan States of America, listed below and have also identified below, by checking the box, any foreign application or patent, inventor's or plan breader's district certificate(s), or any PCT intermational application having a filing date before that of the application on which priority is claimed. Prior Foreign Application Number(s) Country Foreign Filing Date (iMMDD/YYY) Not Claimed YES Not	Filing	required)	Examiner Name			
My residence, mailing address, and citizenship are as stated below next to my name. I believe I am the original and first inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled: A Computer Motional Command Interface (Title of the Invention) the specification of which Is attached hereto OR was filed on (MM/DD/YYYY) as United States Application Number or PCT International Application Number I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment specifically referred to above. I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment specifically referred to above. I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment specifically referred to above. I hereby date that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment specifically referred to above. I hereby date that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment specifically referred to above. I hereby date of the continuation-in-part application. I hereby dain foreign priority benefits under 35 U.S.C. 119(a)-(d) or (f), or 365(b) of any foreign application(s) for patent, inventor's or plan States of America, isled below and have also identified below, by checking the box, any foreign application or which priority in the priority	to the below named inventor. I here	by declare that:				
A Computer Motional Command In the Invention		zenshin are as stated below	next to my name.			
A Computer Motional Command Interface (Title of the Invention) the specification of which Is attached hereto OR was filed on (MM/DD/YYY) and was amended on (MM/DD/YYY) Interest state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment specifically referred to above. I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application. I hereby dama foreign priority benefits under 35 U.S.C. 119(a)-(d) or (f), or 385(b) of any foreign application(s) for patent, inventor's or plan the priority international filing date of the continuation-in-part application which designated at least one country other than the United breader's rights certificate(s), or 385(a) of any PCT international application which designated at least one country other than the United breader's rights certificate(s), or 385(a) of any PCT international application which designated at least one country other than the United breader's rights certificate(s), or 385(a) of any PCT international application which designated at least one country other than the United breader's rights certificate(s), or any PCT international application having a filing date before that of the application on which priority is the priority of the priority priority in the priority is patent.
